# The Million Dollar Mix

### Growing Our Faith. Growing Our Funds. Growing Our Footprint.

Connecting People, Strengthening Families, and Fulfilling Purpose. This is what we do, and this is who we are. At Grace Christian Family Church our heart is that everyone would know the Grace of God and know Jesus Christ as their Lord and Savior. We believe that through Him we can live a life full of purpose, establish lasting friendships, see our lives prosper and witness our families grow in love.

## It Starts With Faith

Before God asks His people to build, He teaches them to trust.

Throughout Scripture, God repeatedly invited ordinary people to believe Him before they could see the outcome. He called His people to trust His power, prepare for His promises, build together, and give generously for generations to come.

- **God does more than we can imagine.** His power is not limited by our capacity, resources, or circumstances. (Ephesians 3:20)
- **God prepares His people before He fulfills His promises.** The Israelites stepped into the Jordan River in faith before they saw the waters part. (Joshua 3)
- **God's people build together for His glory.** Israel gave willingly and generously to build the temple, recognizing that everything they had came from God. (1 Chronicles 29)
- **God desires a place where His presence and purpose are honored.** He called His people to build His house so that He may take pleasure in it and be glorified through it. (Haggai 1:8)
- **God honors a willing and cheerful heart.** Our generosity is not measured only by what we give, but by the heart and faith behind it. (2 Corinthians 9:7)

Faith comes before the miracle. That is why the Million Dollar Mix begins with growing our faith.We want to become a church that asks God for more, not because we believe in our own ability, but because we believe in ***His.***

As Proverbs reminds us,

> "Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge Him, and He will make straight your paths." **Proverbs 3:5-6**

We can create plans, budgets, and strategies, but unless the Lord is leading us, those things accomplish very little.

Psalm 127:1 says,

> "Unless the Lord builds the house, those who build it labor in vain." **Psalm 127:1**

Our prayer is simple: **Lord, wherever You're leading us, prepare us first.**

## Growing Our Faith. Growing Our Funds. Growing Our Footprint.

As our faith grows, we believe our generosity grows with it. As we faithfully steward those resources, God expands the opportunities He places before us.Our desire is to be faithful with whatever God entrusts to us so we are ready for whatever He calls us to do next.

## The Million Dollar Mix

Over the next two years, we are believing God for one million dollars through several different areas that work together.

| Source | Goal |
|---|---|
| Congregational Pledges | $400,000 |
| Major Donors from the Community | $250,000 |
| Board Investments | $150,000 |
| Current Funds on Hand | $125,000 |
| Enterprise Branding Revenue | $50,000 |
| Special Offerings | $25,000 |

Each part of the Mix plays a role in preparing our church for the future God has in store.

## Why We're Preparing

For many years, Grace Christian Family Church has faithfully met in rented spaces. God has used every one of those locations to change lives, build relationships, and reach our community.

As we continue praying about the future, we believe God is leading us toward a permanent home that can serve as a ministry hub for generations to come.

We do not currently have a location in mind, but we know that, like everything else, God will provide in His perfect timing.

We want to faithfully steward what God has already given us while preparing for whatever He has next.

When God opens the door, we want to be ready to walk through it.

## What Could That Look Like?

A permanent ministry home could allow us to expand what God is already doing by creating space for:

- Worship space
- Community event space
- Training rooms
- Revenue-generating services
- Nonprofit partnerships
- Community programs

Our desire is that whatever God provides becomes a place where lives are changed, communities are strengthened, and Christ is glorified.

## Faithful Stewards

God has already shown us His faithfulness.Through careful planning, responsible budgeting, God-led board meetings, and wise stewardship, God has allowed us to make a meaningful impact in our community while remaining faithful with every resource He has entrusted to us.

> "One who is faithful in a very little is also faithful in much."
> **Luke 16:10**

Everything we have belongs to God. Our role is simply to steward it well.
